## Eagle River Water Festival

September 22, 2023

This annual event celebrates the gathering of **all of Eagle County's 5th-graders** to learn together about all things water! With a station-style setup, lunch provided, activities of all sorts, and a t-shirt for each child to take home, this day is a highlight for children and presenters alike.

If your business supports the Eagle River Water Festival with a **\$1000+ donation**, we will:

- include your business name on the T-shirt that each child will receive at the festival
- include your business in media releases regarding the event
- include your business's logo on our website.
